Present...

International Idol is American Idol meets Rockstar INXS. Contestants will be judged – sometimes harshly – based on technique, presence, audience rapport and that magical quality that makes a great performer. This is not a vocal-quality-only, Karaoke-style competition. We are looking for the best Frontperson in the Twin Sault Area. Own the song, stage, audience. Do you have what it takes?

Competition starts at 6:00pm on July 6th and contestants compete every Sunday until July 27th when one is crowned as the International Idol. And, yes, there will be challenges, surprises and eliminations along the way.

Grand Prize: \$1,000 studio time at Lake Street Studio
