

The Soo Theatre Project, Inc. relies on memberships and other contributions to help balance its annual budget. Ticket sales, tuitions, concessions and other income cover only a portion of our total expenses. We hope you will support our mission of enriching the quality of life in the area, so we can continue to bring talented entertainers, local artists and quality events to the historic Soo Theatre stage.

Your financial support will:

Help us provide area youth and adults the thrill of being on the fully equipped stage in major productions directed by professionals.

Help us provide arts exploration and musical theatre camps each summer, master classes and satellite programs throughout the surrounding Eastern Upper Peninsula area.

Support the Soo Theatre Arts Resource Studios (STARS), the uplifting, creative environment that gives the region's children and adults multiple opportunities to develop life long skills in instrumental and vocal music, dance and theatre crafts following expert instruction by highly skilled teachers.

Assist us in continuing to pursue the renovation of the historic Soo Theatre.

We truly value your support and hope that you will continue our partnership as we continue our quest to fully restore our historic landmark, the Soo Theatre, while offering wonderful opportunities for community involvement in the arts.

Did you know that Soo Theatre Project and STARS:

- Has saved a historic landmark and is planning to continue restoring the structure while putting it to good use?
- Was supported last year by donations from 170 individuals and businesses?
- Involves hundreds of people from the Eastern Upper Peninsula in its productions on the Soo Theatre stage each summer?
- Receives no funding from the city, state or federal governments?
- Depends on contributions from people like you to cover 30 percent of our expenses?
- Has involved over 300 volunteers to maintain the building, plan for the future and provide assistance in the day to day operations of the organization?
- Is a non-profit organization, so your donation is tax deductible?
- Employs fourteen teachers and two full-time staff, helping creative people earn money while boosting the economy of the region?
- Had a total class enrollment of over 500 students last year in over 75 different STARS classes, private lessons and performing groups?

Yes! I would like to help.
